**QUESTIONNAIRE FOR FOREIGN NATIONALS TO COMPLETE**

Please complete the following questions. The first part of this form pertains to your history prior to entering the United States, and the second part of this form pertains to your history after entering the United States. Please note that some of these questions will also be addressed on the more complete forensic form. These questions specifically will ask about any problems or traumas that occurred prior to your entering the United States. If you have had problems with sadness, significant losses, exposure to war, murder, etc., please inform us so that you can complete some questionnaires pertaining to those experiences. These will be questionnaires on sadness (depression), nervousness (worries) and trauma (scary events). Please complete these questions with how you felt at the time of the event or problem. You will also fill them out for how you feel at the present time.
